

Planning Your Fundraiser

Do my materials for my fundraising event need to be approved?

Yes. All press releases, pitch letters, printed, or electronic advertisements must be submitted to the Silence the Shame staff for review and approval before they are made public. Templates created by Silence the Shame permitted only. Please submit them to tw@silencetheshame.com

Can I be reimbursed for my fundraising expenses?

Silence the Shame is not able to reimburse your fundraising expenses. To keep your expenses down, consider asking local businesses to sponsor your event or provide in-kind donations.

Can I host an auction or raffle?

Regulations for raffles and auctions differ from state to state. Before organizing one, please check with your State Attorney General's Office for your state's regulations.
